♦♦**Kolohe Lunch December Report From Jackie:** December Kolohe luncheon at Chinese Garden was "onolishus." There were only five of us--Lani, Gil, Jay, Colonel and Jackie, but we were definitely the lucky ones. On the way it rained "cats and dogs" as we were on the freeway, but miraculously when we arrived the rain had stopped, the sun was out and blue skies abounded. Everything was delicious from the soup (hot and sour), dim sum and the regular dishes we ordered. This place is a "return engagement" site. Highly recommend the Shrimp with Lobster Sauce, Yum! Our next treat will be Korean food, Seol Ak San, 12140 Beach Blvd., Stanton, CA.--Wednesday, January 26, 2011, 11:30 a.m. Thanks, Gil, for all your kokua in helping with the selection of places.
