Aloha E 'Āinahau,
Half of the year down, the other half to go! I guess preparing this message and more to come, I realize that this is my last year as Pelekikena, and this was my last Ho'olaule'a or Aha`aina as such, but that will be for another time.

It's end of July, and that means we are in between AOKHCC`S two biggest fund-raisers of the year and it's time to take a quick breather and then jump right back in.

On the heels of Ho'olaule'a, I want to thank and congratulate everyone involved in yet another successful year at Alondra Park.

It was a blessing to see so many new faces there this year, all full of 'this is a lot of fun!' as well as those that I have come to count on year after year. It certainly reminds me that AOKHCC is in a good place, both financially and in participation and ownership of our members. Your reliability and willingness to step in and flip burgers, fry eggs, run to the reefer truck, wash dishes, work the food line, show up at 'chop-chop' on Friday, decorate the both, load and empty the truck and all these things and more, remind me that the **Aloha Spirit is Alive** and well within the members of 'Āinahau, and I am privileged to be a part of it all.

(CONTINUED TO PAGE 2)

Aloha 'Āinahau Members:

Hula practice is going great! Check out the calendar for practices leading up to **Aha'aina** on page 5. On page 7 is a copy of the flyer. I cannot wait for Aha'aina! Mahalo for all of the hard working members involved in presenting the program! We have a great show planned about Maui!!

Our membership is increasing (90 adults) as shown by welcome e-mail sent to members by Maggie. She will be updating membership roster and birthday lists in a couple weeks and providing to all members.

A hui hou kakou, Pua

Message Continued

Up next is Aha`aina and which is probably the culmination of our year. Not only do we put our work clothes on in the morning getting everything ready, but we get to dress up in the evening, greet our friends and family as they come through the food line, and then sing and hula a little bit - - well you know, something like that. Well maybe a little bit more than that. I am excited to see how things will take shape in the next couple of weeks, everyone working together in one place, and all the months of hula and mele practice and come shining through at the **Aha`aina on the 17th**.

Keep up the good work
'Ainahau!

Aloha mai,

A big **MAHALO** for the many hands that have helped at Ho'olaule'a the weekend of July 20-21. We had a great turn out for help, both at chop-chop and at the park on Friday, Saturday and Sunday. Lehua and Amber, mahalo for decorating our booth and winning 2nd place for most beautiful booth for the weekend.

Paddy, Charlene, Hoku and Sharon, thank you for helping me, getting everything organized for the workers, shopping, and labeling all of the pots, pans, utensils, paper goods, tents, tables, etc., that was needed to be at the park since I was not there to help. When I finally got into town from St. George, Utah where we live now, I was on the run, buying tomatoes, onions, watermelon, filling the propane tanks with Lou and getting Charlene at the shed so that we could go over last minute checking. Can't forget Eric and Peter for packing the truck and getting it to Alondra Park and setting up the booth.

On Saturday morning early, the all day shift started lighting the burners, boiling water, laulau in the steamer, Agnes making fried rice for breakfast, more laulau getting wrapped by Tom, Corey, Linda, and we had to mix poi to do more cupping, along with mixing and cupping lomi salmon. Approximately, 300 cups each to start, Ua cutting watermelon for our laulau plate. Gravy for loco moco was on the fire with Charlene at the helm, Gene cooking hamburger and eggs. When someone was available even for 5 minutes, we needed to get the chaffing pans up, plates and bowls for serving, front of the booth we needed to have utensils, ice for water in the ice chest, napkins, foil (for to go plate) measured out, last but not most important our cashier Edye and Agnes at the front table to serve our customers. All of this had to be ready at 9:45, laulau in the chaffing pans, loco moco and gravy in the pans, poi, lomi salmon and watermelon on ice at the front table and bottled water on ice in the ice chest.

We opened the curtains at 10:00 and we never stopped all day long. The rush for laulau was unbelievable. Had to mix more poi and cupping more poi and lomi salmon. We always had enough cut vegetables for the lomi salmon, but this weekend we had to cut more tomatoes, green onion, purple onion for the next day that we asked Gil to bring the chop-chop machine to the booth on Sunday. We called Paddy to take poi out of the freezer and mix more for Sunday.

Awesome Ho'olaule'a Kokua!
by Paddy Kakihara

Ho'olaule'a 2019 was a great success, due mostly to the wonderful turnout of Menehune we had working! From the chop-chop at Christ Lutheran in Long Beach (**Mahalo Nancy & David**), to the two long days at Alondra Park, we were never short of help. In my many (and I mean many!) years of soliciting volunteers to man the booth, I believe this was the first time we had, in some shifts, more helpers than jobs to be done!

Of course, there were several who worked all three days, like our chairpersons **Maile and Charlene, Maggie, Linda, Eric, Tom, Lou, Patty (great gravy!) and Gil**. Many worked two full days: **Corey, Agnes, our rice guy Rick, cashier Edye, Gofer Geoff, Pua, Ua, Gene, who is the best loco moco chef, Hoku, and Lehua**, who with daughter **Amber**, did a phenomenal job decorating our booth! Special mahalo to Peter, who helped Eric with the loading and setting up on Friday, and then taking down and unloading at the shed on Sunday.

Many others showed up to work a shift or two at the park: **Frances, Mapuana, new members Terrill and Rick, Hayden, Craig, Laura, Kealoha, Hope, Kanoa and his friend Brandon, Kekoa, and Artland who signed up his nephew Mark and wife Jodeene** so they could lend a hand as well.

Gil and I enjoyed sitting and seeing all of you working so hard, while we got tired just watching! But, we earned our stars by doing some prep work at home. **Gil salted 70 lbs. of salmon** (some for aha'aina), and I thawed and **prepared over 40 lbs. of frozen poi!!** All in all, even with the hard work, the time of fellowship counts for so much more! We made some money, we had some fun, and we have a whole year to look forward to doing it again!

Mahalo plenty to all of you for blessing 'Āinahau with your willingness to do what it takes to make this project an awesome success!

With Aloha in Him, Paddy

Aloha kakou,

I hope everyone is enjoying our summer weather and that you had good fun at Ho'olaule'a.

Here are some more books in our club's library. Featured books are taken to our monthly meetings for borrowing/returning ease.

Da Kine Sound

This book was published in 1978. It features interviews with many of the great Hawaiian musicians (& photos too!). Remember Genoa Keawe, The Brothers Cazimero, Carole Kai, Loyal Garner, Gabby Pahinui and others....

Na Kaikamahine 'o Haumea Daughters of Haumea Women of Ancient Hawaii

This limited edition copy tells of the important roles that women played in the Hawaiian culture of old. Did you know that only women did the printing and painting? Their tools were so superior to European counterparts that it was noted by Captain Cook's surgeon in his diary.

'Oiwi, A Native Hawaiian Journal

This inaugural issue is a collection of articles put together in 1998. Many articles focus on the time of annexation, some articles are from oleo newspapers.

Go Home, Cook Rice

This is a guide to buying and cooking fresh foods of Hawaii. It was written to inspire you to cook with one looking recipes and explains, among other things, all the different types of rice. One stipulation on borrowing this book, be sure to bring samples to following meeting, eh?

Keiki kine: Fables from the Deep

These lesson inspired stories feature creatures from the deep seas, caves and deep space..

Hau Kea and The Seven Menehune

This is a happy Hawaiian story with menehune...enough said Remember too that we take donations for the library...

Friday, November 8 - 11, 2019 Kaho'olawe Island Reserve Commission - As modern times rolled in, Kaho'olawe underwent a harsh evolution. It would be used briefly as a penal colony, for sheep and cattle ranching, and eventually transferred to the U.S. Navy for use as a bombing range. Litigation forced an end to the bombing in 1990 and the island was placed under the administration of the Kaho'olawe Island Reserve Commission (KIRC). Following a 10-year period of ordinance removal, control of access to Kaho'olawe was transferred to the State of Hawai'i in 2003. Today, the KIRC is responsible for the restoration and sustainable management of the island until it can be transferred to a Native Hawaiian entity to manage. <http://kahoolawe.hawaii.gov/volunteer.shtml>

'Aha Mele Update: During the 2019 AHCC Convention in Kaanapali, Maui the annual Aha Mele Songfest "Na Mele O Maui" will be held on Friday evening November 15, 2019. Here are the Aha Mele guidelines and requirements.

Purpose: The purpose of the 'Aha Mele program is to preserve, perpetuate, and practice our Hawaiian cultural values and traditions through mele.

-Background: Much of our culture and history has been passed down through oral storytelling, poetry, and music. Over the years, the 'Aha Mele at our conventions has provided our members with the opportunity to learn and practice our culture through songs. The various civic clubs have participated in kanikapila, acapella choir performances and competitive singing. For this year's convention, we continue to encourage ALL CIVIC CLUBS throughout the association to participate in the Aha Mele Songfest and share a Hawaiian mele: [Kuu Home O Keaukaha](#)

Guidelines: Assemble a choir of 20 or more singers comprised of three or more club members from each of the clubs within your council or geographic area.

An Aloha Miracle By Lehua Swope

Recently, 'Āinahau O Kaleponi Hawaiian Civic Club held their largest yearly fundraiser at the Ho`olaule`a in Alondra Park. For the last few years I have been honored to decorate the booth on the Friday before our cooking and steaming weekend. But this year, the foliage upon which I rely to make our booth attractive was not available and in a panic, I sent out an S.O.S. to our club. I also pulled out some ti leaves from my freezer I had saved from previous events and made a **30 foot lei peppered with sushi orchids** I purchased from a Restaurant Supply Place. That was it, all that I had. But Hula practice was that night and my S.O.S. was heard. Auntie Corey Hayes dropped off bags of leaves and cuttings from her yard and Mapuana Newcomb gave me bags of ti leaves from her church. Terrill Stone had Lily of the Nile and bags of more stuff and I thought, "Wow, I am set." But the generosity of AOKHCC was not over. The next day, this was the Friday of decoration, we gathered in a church in

Long Beach for some chop-chop, and I received just as many bags from Nancy and Hoku Aichele. **My cup runneth over!** To say I was verklempt was putting it mildly and that

evening, my daughter Amber and I decorated our booth. Personally, I think it was the best job that we had ever done and it is all due to the generosity and aloha of my friends in the club. By the way, we took **Second Place** in festival booth decoration. So from the bottom of my heart I want to Mahalo all who shared their greenery with our club and once again performed an Aloha Miracle,

Mahalo nui, Lehua

Paddy, thankfully, said grace. We were all bushed from trying to find the restaurant. There is a three feet high by sixty feet long sign on the second floor that says "SEAFOOD COVE RESTAURANT."

No wonder everyone got lost?!?! After we all settled down we started ordering. WOW! Really ONO Dim Sum. I'M GOING BACK. Kehau and Kevin Bryce told me that the place was delicious, and it was.

August 8th (second Thursday of the month), Kolohe lunch is a new Korean restaurant called **WANG CHO**. The address is : 3608 Bristol.
